We only accept cancellations of a fixture where there is inclement weather or Junior night clash making a home game impractical, so home fixtures may need to move to a mutually agreeable alternative day (away games remain as default fixture date). Every reasonable endeavour must be undertaken to play the fixture on the default date or mutually agreeable date.

All other reasons for non-fulfilment of fixture will be classed as a **cancelled** game.

Where there is a weather cancellation you will have an opportunity to re-arrange BUT a new date must be confirmed within 72 hours of the original fixture, and you have until the last fixture date to play the game. Failure to agree will revert back to cancelled game.

Any disputes must be advised to the League Administrator, who will have the binding decision.

Last Fixture date is **AUGUST 9th**
